\$35,000 DAMAGES ASKED BY BASTIN

FOR DESTRUCTION OF HIS TELEPHONE LINE NEAR HUBBLE
LAST YEAR

A sensational \$35,000 damage suit was filed in the Circuit Court here this week by attorneys for the Bastin Telephone Company, of Lancaster, who charge the East Tennessee Telephone Company and subsidiary companies with having cut down about a mile and a half of the Bastin Company's line near Hubble a year ago. Since then indictments have been brought by Boyle county grand jury charging certain young men of Tennessee with having performed the cutting at the instance of the East Tennessee, a competing company.

The suit is styled the Bastin Telephone Company against the Cumberland Telephone and Telegraph Company, East Tennessee Telephone Company, Gainesboro Telephone Company, Southern Telephone Association, W. C. Moore, Leland Hume, James N. Cox and J. H. Baker.

The petition avers that the individual defendants Cox and Hume employes of the first named corporation defendants "procured and hired the defendant W. C. Moore, Ernest Walinger, Roland Chase, Herbert Carr and Rudolph Shifflet to come from Tennessee to Kentucky and with the malicious purpose and design of interfering with plaintiff's business and its service to the public, wrongful, maliciously and unlawfully by themselves, their agents and employes cut in many places and destroyed in the night time, on the night of the 20th of April, and the early morning of the 21st of April 1910 about one and a half miles of telephone lines and wires belonging to the plaintiff and located in Lincoln county, Kentucky thereby destroying plaintiff's property and destroying its capacity to serve the public and to transact business, and causing the plaintiff to be put to great expense in rebuilding its line in said county and to lose the profits of its business and thereby interfering with and destroying its property and service to its damage and injury in the sum of \$35,000.

The attorneys for the Bastin Telephone Company are R. H. Tomlinson, of Lancaster and Robert Harding and Emmett Puryear, of Danville.

\$15,000 Damages Asked

MORE SUITS BEING FILED IN LINCOLN CIRCUIT COURT.

Another big damage suit was filed in the circuit court here this week when attorneys for W. S. Goode a brakeman on the Cincinnati Southern railroad brought suit against that company for \$15,000 for injuries alleged to have been sustained by Goode, while acting as brakeman for the defendant company at its yards at Ludlow. It is alleged that Goode was engaged in signaling in the yards when an engine backed down upon him, badly crushing his feet, heels, and legs. His attorneys are Harding and Puryear, of Danville.

Attorney J. N. Saunders filed suit for "Dr." Mary Baughman, a well known colored woman, for \$100 against the Royal Benefit Society, the amount being insurance which, it is alleged was carried by her husband Frank Baughman, deceased, and which, it is claimed, the defendant company has so far failed to pay.

Suit for divorce on grounds of cruelty was filed by Attorney K. S. Alcorn of this city and C. C. Williams of Mt. Vernon on behalf of Minnie B. Blanton against J. B. Blanton, both of the East End.

HUSTONVILLE

There will be an ordaining of the newly elected officers at the Christian church next Sunday morning. Some special vocal and instrumental music will also be rendered.

Miss Allie Stagg has returned from Cincinnati, where she has been treated by a specialist for facial trouble. Train dispatching between Danville and Oakesdale, beginning this week is being done by telephone.

Rev. W. H. P. Jones, of Ashtabula, O., who has been pastor of the Baptist church here for several years past has resigned. He has returned home to care for his father who is seriously ill. He made many friends here who regret his final decision to give up his pastoral work at this place.

Whisky I am told is being sold in this place on the sly and this has been going on for years. The parties are now spotted and evidence is accumulating, and just such a shaking up as will come to them at the next court, will do them for all time to come. Violators of the law never prosper for any length of time, so beware.

The blood hounds were called to Monticello last week where they trailed some miles from the robbed store and found the party with the goods on him.

The timber on about two thousand acres of land has been pledged to be brought here for shipment to Cincinnati provided we get a trolley line from here to Moreland. The right of way will be worked on in the near future and a stock company organized.

There was a big crowd in town Saturday and about 75 cattle on the market.

The numerous friends here of Mrs. Ruth Green of Lexington will be pained to learn of her falling and fracturing her arm.

The line up of the Hustonville ball team that defeated Danville high school last Saturday 20 to 0 is as follows viz:

Dunn 1st base, Hanson 2nd base, Hicks 3rd base, Riffe left field, Compton center, Barnett right, Weddie short stop, Wheat catcher, James Hall pitcher who pitched a shut out game with only one hit and struck out 18 of Danville's best batters. Danville's battery, Webb and Mannan. Weddie made one three base hit and one home run.

Work on a concrete sidewalk in front of the Christian church is being done and will be completed this week if no unforeseen hindrance.

The Christian church here is preparing to welcome a large delegation at the Tenth District Convention May 4th and 5th. Delegates are asked to send their names to Judge Wm. Myers. The ladies will serve free luncheon for all in the opera house May 4th and 5th.

Prof. H. L. Calhoun of Bible College will preach and ordain one Elder and five deacons Sunday April 23rd. Prof. Calhoun is one of the finest men and finest preachers among the disciples. Do not fail to hear him both morning and night.

An exceptional bargain in a fine 200 acre farm with new and up to date improvements is offered at \$7,500 with terms to suit purchaser and possession in 10 days. Address Box 82 Hustonville, Ky.

Admission 25 cents for adults, 15 cents for children under 12. A proportional part of the proceeds to go to the Christian church.

Miss Catherine Thompson is the daughter of Prof. M. G. Thompson who was principal of the college here several years ago, and has devoted herself very extensively to music.

Mrs. Harrison the elocutionist is one of the faculty of Bourbon College for next year, so of course is an artist in her work. All who desire a genuine treat in the way of music and elocution should attend this concert on the 26th of April.

GEORGIA CHURCH WANTS REV. WALKER

LOCAL CHRISTIAN PASTOR RECEIVES FLATTERING CALL TO SOUTH

Rev. D. M. Walker pastor of the Christian church, has received a very flattering call to the pastorate of the First Christian church of Valdosta, Ga. He will leave early next week to look over the field here with a view of accepting the call. Valdosta is a city of about 10,000 population in one of the richest sections of the Cornercracker state, and the field is said to be a very attractive one in addition to the larger salary which a more extended field offers.

While Mr. Walker's many friends here would regret exceedingly to lose him, many have felt for some time, that his splendid oratorical abilities and aggressive work in the Cause might at any time be requisitioned by a congregation which could offer him more than the local church can afford. Mr. Walker however has made up his mind whether to accept the call or not and will not do so until he has thoroughly looked over the field.

He is survived by his wife and several grown children. Rev. Cook was a superannuated Methodist minister, and had lived in Lincoln county for many years, where he was generally loved for his good work in the Master's vineyard.

Jumped From Buggy

AND BROADHEAD WOMAN IS PERHAPS FATALITY HURT.

Mrs. James Owens of Broadhead was perhaps fatally hurt while out driving there last Sunday afternoon. The wind blew the lady's bonnet off and in trying to regain it she dropped the lines. Then fearing her horse would run away, she told her daughter to jump out. In jumping out the young lady struck the wheel and fell. Her mother becoming scared then jumped and striking her hip on a rock received the serious injury. Mrs. Owens is a large woman and being in middle life, her recovery is not thought probable by the attending physicians.

The subcommittee of the Democratic State Executive Committee having the matter in charge Wednesday elected Louisville as headquarters for committeemen who will look after the State primary. Henry Lawrence will have charge of the work. Congressman Ollie James and J. B. McCreary, candidates for Senator and Governor respectively, filed official notification of their intention to enter the primary, and sent checks in advance payment on their fees.

FIRST DEFEAT IN THREE YEARS FOR STANEORD

HIGH SCHOOL BOYS RATTLED AT RICHMOND AND LOSE TO NORMALS BY 5 TO 2

It was coming to them and they finally got it. After over two years of continuous victory on the base ball diamond, the Stanford High School nine met defeat Tuesday at the hands of the Eastern Normal School of Richmond by the score of 5 to 2. And at that, with level headed base ball, they would have won, for they outthrew their opponents, and if they had put up that sort of game on the green which distinguishes their work at home, they would have won easily. The Normals were unable to solve the delivery of Wesley Embury with any degree of satisfaction, but Embury seemed to lose all control of the ball at some stages, and threw it about the lot as if he did not know what to do with it. The couple of hard muffed flies by Coleman and Hill helped the Normals on with their run getting, and the ease with which they pilfered bases, on Embury and Penny counted very strongly in their favor. Altogether it seemed as if the local lads were slightly rattled throughout the entire contest. The presence of about a hundred beautiful girls students of the Normal, loyally rooting for their home team, may have had something to do with it. A big crowd was out to see the game, and the students kept up a hot fire of talk to the Stanford boys which seemed to have "gotten their goat." It was not until the latter part of the game that they seemed to get their nerve. A fierce battling rally in the ninth inning felt just a trifle short of getting the goods.

McCarthy on First

Sam B. Lutes, of Bettyville, pitched a nice game for the Normals. He is a cousin of the Lincoln count Lutes, and played lead ball all through, besides leading his team at the bat.

Stanford jumped into the lead right off the reel and seemed that if they could hold their opponents if it was going to be easy money. Lutes passed Waters and Dozier next by sacrificed him to third after he had stolen second. McCarthy shot a hot one to second and was safe at first on a fielder's choice. Waters began down between third and home. Bill stole second and went to third and in home with the first run when Johnson let Lutes' peg to get him off second go to centerfield. Coleman flew out to left field ending the inning and there was nothing more doing by our lads until the second inning.

The Normals tied up the score in the second when Lutes got the first hit for his club by lifting a pretty single to left. He promptly stole second and third, as Embury delayed so long in his wind-up that Penny did not try to catch the runner by a throw to either base. No sooner had he landed safely on third, than Embury threw the next ball pitched a couple of feet over Penny's head, and Lutes trotted in home.

The home team won the game in the fourth. Johnson lifted a nice little pop-up to left, which hardly built

Coleman Muffed an Easy One

ed Harris Coleman out of his tracks, but allowed it to bounce out of his hands like rubber. Johnson quickly stole second without trouble. A third baseman for the Normals was to get a try-out with the Normals and blue grass league team, but he was away in deep center, so that Johnson, Embury gave Kennedy four hits, and Lutes' single to left the next instant scored Johnson the

decision being mightily close at the plate for Coleman made a fine throw to Penny. Theumps, however gave the Normals the benefit of all the close decisions. Embury settled down and struck out the next two men retiring the side, but the game was over right then.

To make it safe our boys presented them with two more in the seventh, after holding them easily throughout the fifth and sixth. With one out, Embury passed Sharon to first, and he burlgarized second. Combs passed one to Joe Hill, who let it go through his hands to the ground. Sharon played off of second and drew a throw by Embury who shot the ball a foot or so out of the reach of Dozier. The sphere rolled on to center field and Sharon and Combs came in home. Embury struck out the next two batters, after the damage was done.

It looked like there was going to be something doing in the seventh for our lads, when McCarthy led off with a long fly midway to center and right, which both fielders started after and collided, letting the ball go to the ground while McCarthy skinned to second. Lutes lightened up however, and Coleman flew out to left, Singleton to center and Penny to second and Hill died on the Key-stone bag.

In the ninth, the Stanford lads got a little nervous, but not quite a large enough dose. After Dozier popped to short McCarthy drove a sizzler through second, and Coleman followed with a clean drive past first, sending Hill to second. Singleton flew out to third, but Penny followed with a corks single to right which drove McCarthy home and sent Coleman to third. Hill tried hard, but the best he could do was a roller to Lutes and the game was over.

For Third Time

GRADED SCHOOL BOND ISSUE LOSES AT MIDDLEBURG IN CASE.

Middleburg, April 20 The graded school bond question has been relegated to the rear for the third time. Now if the weather will behave better people will surely settle down to business. The fight was the hardest one yet both sides working hard from start to finish. The margin was quite small, but large enough to defeat the proposition. The community was worked up to a high pitch of excitement and likely some things said that ought to have been withheld. It is to be hoped that the trustees will allow the matter to rest at least for the present. There can be no good come of a continual agitation of the question, especially when there is no hope of carrying the proposition besides no one ought to want to see the country in a consistent uproar.

C. C. Compton Charley Spears, James McWhorter, Jr., J. K. Coffey W. J. Godbey, W. T. Dye, and Joe Elliott attended court at Liberty Monday. C. R. Carson at Yosemite it afflicted with a mighty lame back.

The road from here to Mt. Salem must be greatly improved. We hear no complaint through the columns of this paper. Shooting at road officers through the columns of a newspaper at a long distance is not at all risky, besides it seems to fill up.

The river was up two or three days last week, but John Carson went through every day, thus keeping our mills in joint.

James Winfrey the telephone man, was in town Thursday and Friday looking after his line here. Jim says the way to a telephone man is to let him give some may "hoke." After he seems to be doing a "probable two stock business." He is to be in the morning "till the night, and buy anything from a two

pound pig to 1,500 pound steer. Our merchants claim to be having a bustling trade despite the very bad manner in which the weather has been acting for a week or more.

Found Dead In Bed

WILL CARTER OF MORELAND PASSES AWAY SUDDENLY.

Moreland, April 20th Last Wednesday morning about 5 o'clock Mr. Will Carter was found dead in his bed. Mr. Carter was down town on Tuesday and seemed to be in his usual health. He is survived by two sisters and two brothers, one being Chief of Police B. D. Carter of Stanford. Mr. Carter was about 58 years of age and had never married. Coroner George P. Bright, of Stanford came up and made an examination and a jury decided that Mr. Carter came to his death from heart trouble. Mr. Carter was one of the best known residents of the West End and had a great many friends. He was buried at Hustonville Thursday.

Crab Orchard April 21 Another home talent play soon. The young people of the Baptist church are preparing a play Brother Josiah to be given on the 27 inst. the proceeds to be donated toward a new carpet for the church. Let every body come and help in the good cause.

Mr. McClure Napier and wife of Cleaton, Ky., have returned home after a several days visit with relatives and friends. Mrs. Emil Geiszl has a fine boy. Mrs. Sue Holmes from Alabama is visiting her sister Mrs. Mack Holmes and other relatives. Charlie Jones of Hustonville spent Saturday night with his parents. Charlie is proud of the boy at his home. Mr. and Mrs. R. C. White have a new visitor, a boy.

COMRADES TO THE END. A special from Richmond telling of the funeral of Thomas Hurley and William Devore, Jr., conducted there last week said:

Singular coincidence in connection with the lives and deaths of these two men were that they were born the same day, were boys together and grew up as chums. Both selected the same occupation, that of engineer; were about the same build, and died almost at the same time, on the same day and from same cause and in the same manner.

The funerals were conducted about two hours apart in order that the Lodge of Locomotive Engineers could attend both.

The Anti-Spitting Law

WOMAN'S CLUB HANDS OUT SOME HOT SHOT

"He who spits and runs away. May live to spit another day. But he who spits and hangs around. Will sure be fined if he is found. Who can think of anything more disgusting, from a simple standpoint of decency, common politeness, or even half civilization, than to see excretions of all kinds and stages, tobacco, tuberculosis, catarrh, jaundice, and dyspepsia, discharged on the sidewalks, in front of store doors, on the public stairways leading to halls and opera houses where one with satin slippers and silk dresses must wade through, at any risk, for sometimes it is so profuse that there is no chance to walk around it. The city council has passed an ordinance imposing a fine of \$1 to \$10 for any person found guilty of spitting on the sidewalks in Stanford or in any churches or public buildings. The Woman's Improvement Club was instrumental in the passage of this ordinance and the club is willing to stand by the law and see that it is enforced. There may be some who laugh at the prime object of this law, which is to protect health, but there is surely some chance when we appeal to the gentlemanly side of the question. Among the names reported there were no colored people, neither is it all done by the country people, although we acknowledge that it is much worse on court days. There will be large posters put up on the streets and every where, and he who runs may read. Executive Committee W. I. C., Mrs. J. G. Carpenter, Chairman Health Committee.

DEMOCRATIC TICKET.

For Circuit Judge.
HON. CHARLES A. HARDIN,
of Mercer County

Every once in a while somebody in Stanford receives a letter from Col. W. P. Walton, former editor of the Interior Journal, and now associate editor of the Lexington Herald. The recipients of such missives usually bring them to us to read, for we "set" him copy for many a year both by hand and on the linotype, and often we were the only man in the office who could read it. Which reminds us of a story he told on himself in the Herald the other day. A tramp printer hit Lexington and they put him on a machine to set some of Mr. Walton's editorials. The printer looked at it a while, turned it upside down and studied it then went to the foreman and said: "If I had a cornet I might play this stuff, but I'm d-d if I can set it." At that we think Col. Walton's chirography is more legible than that of Editor Desha Breckinridge of the Herald or of Enoch Grehan another leading Lexington newspaper man, and we have "set" them all in days gone by.

Ollie James gave Senator T. H. Foynter the scoring of his life when the former opened his campaign for United States Senator at Nicholasville Monday. If James has the goods on Paynter the later had as well retire from the race for reelection to the senate if James misrepresented him, Paynter had better explain and do it mightily quick.

Our friend Senator Paynter refused hold a joint debate with Ollie James on the grounds that it might hurt the democratic party in the state. Why in the world didn't he think of that when he spoke and voted in favor of the unspeakable Lorime?

PAYING FOR AN OFFICE

(Editorial in Courier-Journal.)

Lincoln county has been paying a salary of \$200 a year to its County treasurer but it will do so no longer. The Fiscal Court a few days ago elected a man who agrees to pay the county \$161 a year for the privilege of holding the office.

Two bank officials, representing rival banks, were the only candidates for the position when the court met to hold the election. Candidate No. 1 announced that he would be glad to fill the office without salary. No. 2 hastened to make the same proposition to the court, whereupon No. 1 said he would pay \$100 a year for the office. This was met and he raised his bid to \$150. No. 2 went him one dollar better, and as there was nothing more doing in the bidding line, the office was knocked down to No. 2 who will pay \$302 for the honor and privilege of handling the county funds for the next two years. This amount the county will receive, and in addition will save \$400 that it heretofore has been paying for the services of a treasurer during his two years' term. All of which, it is presumed, will be gratifying to the taxpayers.

The competition in this race, which resulted so satisfactorily to the Fiscal Court and the county in general was due, of course, to the fact that two banks wanted the custody of the county money and were willing to pay something therefor. The plan smacks somewhat of putting an office on the auction block but as the two candidates were able and willing to pay the freight and there was no other aspirant for the position it is not apparent that anyone was prejudiced or discriminated against thereby. In any event the taxpayers of Lincoln county who will be \$702 to the good, are not likely to waste much time discussing the ethics of the transaction.

Particularly the Ladies.

Not only pleasant and refreshing to the taste, but gently cleansing and sweetening to the system, Syrup of Figs and Elixir of Senna is particularly adapted to ladies and children, and beneficial in all cases in which a wholesome, strengthening and effective laxative should be used. It is perfectly safe at all times and dispels colds, headaches and the pains caused by indigestion and constipation so promptly and effectively that it is the one perfect family laxative which gives satisfaction to all and is recommended by millions of families who have used it and who have personal knowledge of its excellence.

What Ails You?

Do you feel weak, tired, despondent, have frequent headaches, coated tongue, bitter or bad taste in morning, "heart-burn," belching of gas, acid risings in throat after eating, stomach gnaw or burn, foul breath, dizzy spells, poor or variable appetite, nausea at times and kindred symptoms?

If you have any considerable number of the above symptoms you are suffering from biliousness, torpid liver with indigestion, or dyspepsia. Dr. Pierce's Golden Medical Discovery is made up of the most valuable medicinal principles known to medical science for the permanent cure of such abnormal conditions. It is a most efficient liver invigorator, stomach tonic, bowel regulator and nerve strengthener.

The "Golden Medical Discovery" is not a patent medicine or secret nostrum, a full list of its ingredients being printed on its bottle-wrapper and attested under oath. A glance at these will show that it contains no alcohol, or harmful habit-forming drugs. It is a fluid extract made with pure, triple-refined glycerine, of proper strength, from the roots of native American medicinal forest plants. World's Dispensary Medical Association, Props., Buffalo, N. Y.
